IV. APPROVAL OF MEETING MINUTES:

V. OLD BUSINESS

- i. Aavidum update. We had a planned Rock Snake project for last year. I don't think it got off the ground. Is there any progress or other ideas to get HS students and others interested in the Rec Trail at the Butterfly garden?
 - Who is Aavidum advisor this year? Can the advisor and student leaders be invited to Sept. or Nov. meeting to discuss ideas and informal partnerships we've had? "How to" building community involvement in recreation.

VI. NEW BUSINESS

- i. Plainfield Farmers Fair issues/discussion
 - specifically, tractor pull mishap (safety system failure, out of control tractor nearly entered Rt. 191)
 - Permanent garbage can in dirt lot at Kesslersville fields has been destroyed. Replace? Is Farmers Association footing bill? Initial look at it is that it is a safety issue (Trip hazard, sharp metal exposed). Should it be removed ASAP until it is replaced?
 - Invitation from the Rec board to the Farmers Fair Assoc. To discuss Master site plans/answer questions, rumors.
- ii. Review of the use of facilities for fall.

- School programs, youth Recreation Sports programs (soccer, baseball, other), camps.
- Has the new scoreboard been purchased? Is it available for these programs to use? Has it been used by the summer programs? Feedback from users?

VII. RECREATION BOARD COMMENT

i. Brianne Kemmerer

- a grant through the Green Knight Economic Development Corporation for the Community Park Shed Replacement. We were awarded the grant in the amount of \$5,000.00. The total purchase cost of the shed was \$6,718.00. Therefore, the Township allocated \$1,718.00 for the shed replacement. Every penny counts!
