Instructions for Completing Your Permit Application

RESIDENTIAL:

- Select the <u>residential</u> application if your permit is for a one or two family dwelling alteration, addition or new construction project.
- Complete the application and provide three sets of drawings showing the proposed construction.
- Please note that our website <u>www.keycodes.net</u> has specific applications you may want to use for a deck, pool and a few other common residential projects.

COMMERCIAL:

- Select the <u>commercial</u> application for all other alterations, additions or new construction projects.
- Complete the application and provide three sets of drawings showing your proposed construction. Please note that drawings must be prepared and sealed by a design professional registered with the State of Pennsylvania for <u>commercial additions</u>, <u>new</u> <u>construction</u>, <u>structural alterations or changes to the egress for commercial projects</u>.

Submittals shall be reviewed by our plans examiners and once approved will be returned to the municipal official. Approved documents will include a copy which must remain on the jobsite during construction. Also included will be a listing of required inspections and contact information for you so you know how to request your inspections.

Please call our office at 610-866-9663 or email us at <u>info@keycodes.net</u> if you have any questions or need any assistance completing your permit application.
